Dear Liz,

Thank you very much for your letter and the photos of your friends and family. Your mum and dad look really nice in the photo. Now I can tell you about me and my family here in Germany.

I've got two brothers. Their names are Lukas and Andreas and they're 7 and 11. My mother's name is Christine and she is a teacher. She teaches in our school but she doesn't teach me. Luckily! Every morning my mum takes me to school by car. Great! My dad is a doctor and he works in a hospital near our house. The house is very nice. There are five rooms downstairs – a kitchen, a dining room, a living room, a bathroom and a hall. Upstairs there is another bathroom and there are three bedrooms.

We have a small garden, too. My mum likes flowers, so there are a lot of them there. We've got a dog and we think he's lovely. His name's Zak. He's got his bed downstairs in the hall but he likes sleeping in my bed. My parents are angry with me about it.

Please tell me about your friends and your school in your next letter. I'd like to know about English schools.

Love, Laura
