Dear Tom,

Hi! My name is Carol and I'm your new penfriend. I'm 10 years old and I live in Brighton. Brighton is a city on the coast. I'm happy I live here because I like living near the sea.

I live in a terraced house with my parents, my sisters and our dog Mut. I'm sending you a photo of my family in front of our house and a photo of me and Mut. You can see our garden, it isn't big but Mut likes sleeping there.

I have two sisters. Their names are Laura and Julia. You can see them in the photo. Julia is standing next to my mother. She is wearing a blue skirt and a white jumper. She is tall and slim and she has beautiful long fair hair. Julia is 15 years old. She is very clever. She is good at Maths and she helps me with my homework. She learns French and she can play the piano. I want to start playing a musical instrument too but I prefer saxophone. Laura is slim too but she isn't very tall. She has short dark hair. In the photo she is sitting on the stairs. She's wearing a red T-shirt and black shorts. Laura is fourteen. The only thing she likes is sport. She plays basketball and tennis. At school she likes only PE, she hates Maths and languages. I and Julia call her Lily but she doesn't like this nickname. I am sending one more picture of me and Mut because in picture number one you can't see us. Mut is sleeping under the table and I'm hiding behind my father. But in picture number two you can see what I look like.

My sisters go to the secondary school but I'm still at the primary school. I like school. We have nice teachers and I have a lot of friends there. My best friend's name is Sally. She also has a penfriend from the Czech Republic. Her name is Anna and she is from a village near Prague. I think she goes to the same school as you. Do you know her?

I want to be a History teacher when I grow up. What do you want to do? My father is a teacher but he teaches Chemistry and Biology. I prefer History because I like learning about old times, kings and queens. I also like visiting castles and museums because there are so many interesting things to see. You can see my father in the photo. He is quite tall, very thin and bald.

My mum works in a department store. She is a shop assistant. She likes wearing smart clothes. She is wearing a very beautiful long dress in the photo but you can't see it because my grandma is standing in front of her. My grandparents live in Scotland. It is quite far but they often come to visit us. You can't see my grandpa because he usually takes photos so I haven't got many pictures with him.

This is all about my family. I'm really looking forward to your letter. Can you send me some pictures of you and your family? Write me about your hobbies and friends. I want to know everything.

Hope to hear from you soon!

Yours Carol
