ČÁST II

PRÁCE S TEXTEM

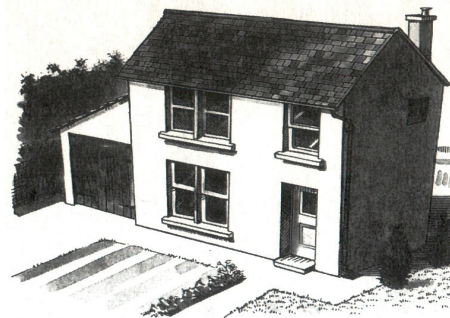

Přečtěte si následující text:

Hello, my name is Mandy Taylor. I'm from York. Do you know where York is? New York is in America, in the USA. But my town is here

We are six in our family - my dad Peter, my mum Ann, my sister Jane, brother Peter and Toby, the dog. And yes, of course me - Mandy!

We live in York, in a detached house.

Our house is very nice. There are five rooms downstairs - the kitchen, the dining room, the living room, the bathroom and a hall.

Upstairs there is another bathroom and there are three bedrooms. I share one with my sister, my mum and dad have got one and one is Peter's. Toby has got his bed in the hall downstairs, but he usually sleeps under Peter's desk in his room.

We have a nice garden, too. My mum likes roses, so there are a lot of them there!

My little sister Jane is only four, she doesn't go to school. But Peter is ten, I'm nine and we go to school. In Britain children start school when they are five years old. Our school starts at 9 o'clock and finishes at 3:30. As in most schools in GB we wear uniforms. We go to school only on weekdays. We don't go to school on Saturdays and Sundays, but sometimes we have sports matches on Saturday mornings. Peter sometimes plays football on Saturdays, he likes it. I can't play football, but I'm good at tennis. I have my tennis matches on Saturdays, too.

Well, now you know a lot about me and my family and you can answer the questions.

Nyní si pozorně přečtete věty 1 až 10 a rozhodněte, zda jsou pravdivé. V případě, že ano, запиšte na linku vpravo od otázky *Yes*. V případě, že ne, napište *No*.
